

ST JOHN'S ON TOUR

Our church heating system will be undergoing a much needed and long awaited upgrade this autumn - a reason for celebration indeed!

Work on the heating is due to start on Monday 28th October and the church will be out of use for a period of 5-6 weeks. During this time, we have agreed with Christ Church Walkley that we can have use of the Memorial Hall on Forbes Road (Hillsborough S6 2NW) for many of our Sunday and mid-week activities.
